## Amrize Updates Form 10 with First Quarter Financials

Amrize completed another step toward the planned spin-off from Holcim with the update of its Form 10 Registration Statement, which includes Amrize's first quarter 2025 financial statements prepared under U.S. GAAP. Holcim previously reported first quarter 2025 financials, including the Amrize business, in accordance with IFRS in its [April 25 trading update](#).

The updated Form 10 Registration Statement has been filed with the U.S. Securities and Exchange Commission (SEC) and is available at [www.sec.gov](http://www.sec.gov) and on Holcim's [spin-off investor website](#).

Holcim expects to complete the planned spin-off of Amrize in June 2025, subject to customary approvals, including approval by Holcim shareholders at Holcim's 2025 annual general meeting on May 14, 2025, and the Form 10 Registration Statement being declared effective by the SEC.

Following the planned spin-off, Amrize will be the largest building solutions company focused exclusively on the North American market, offering its customers a broad range of advanced building solutions from foundation to rooftop across all construction markets.
