

LafargeHolcim closes divestment of activities in Malaysia

Today LafargeHolcim has completed the divestment of its activities in Malaysia with the disposal of its entire 51 percent shareholding in Lafarge Malaysia Berhad to YTL Cement Berhad for a total enterprise value of CHF 982* million. The transaction will reduce the Group's net financial debt by close to CHF 600* million.

Together with the divestment of its activities in Indonesia, Singapore and the Philippines, this transaction will result in a significant deleverage of 0.6 times Net Debt to Recurring EBITDA ratio and allow the company to overachieve its target ratio of 2 times or less by the end of 2019**.

* Computed on the basis of Lafarge Malaysia Berhad net financial debt as of April 30, 2019. Net financial debt impact excludes IFRS 16

** Before application of IFRS 16, at constant foreign exchange and provided that all transactions are closed before end of 2019
